DISCERNING YOUR CALL IN MINISTRY 2011

Here at Christ Church, we offer a variety of ways to use the spiritual gifts that God has given us, and to grow in the faith through prayer, study and support for one another. Consider if God may be calling you to involvement in one of these groups. Checking a box doesn't mean you are committing right now. It just helps us to understand the gifts and talents that God has given you. You are encouraged to consider a balance of activities and groups from the different categories-some that would be easy for you, and some that would be more challenging.
